January 2022 Classes

We will start the New Year with a beginners class to get any people with the resolution to learn quilting.

We will be closed Christmas and Boxing day and we close early Christmas Eve and New Year's Eve. Have a safe and happy holiday season.

Beginners Quilting

Saturday and Sunday January 8th and 9th

10:00-4:00 both days

We have re-formatted our beginners class to include everything, including your choice of fabric. We have found that it is much easier for our students to use the tools we teach rather than something they have that may not be as accurate as necessary. Two placemats will be made over two full days. Everything you need to know to complete any beginner quilting project will be covered. There is no supply list because all you need to bring is yourself with a smile on your face!

Please note: we only have four students per beginners class so we can give you personalized instruction.

Instructor: Kathy Deaton

Instruction fee: \$200

Crazy Hearts

Saturday, January 15th 10:00-4:30

This is a fun project much like the Crazy Christmas Tree you all loved making. Now you will have the opportunity to use your spider ruler once again! Suitable for anyone that can follow instruction and has a beginners class behind them.

Instructor: Kim Aydon

Instruction fee: \$30.00
