November 2021 Classes

November is a great time to come in and take one of our fabulous classes. We continue to follow the policies of Dr. Bonnie Henry. Please wear a mask while you shop. If you are taking any of our classes or attending our four-day events, you must be vaccinated and you must have proof. Lets work together to get this Covid over with.

Remembrance Day is November 11th; we will be closed lest we forget.

Pop-Up Bag

Sunday, November 7th 10:00-sometime in the afternoon

These pop-ups can be made in many sizes but you will start with the small one. Join us for this great little fun project. Teri is new to P.G. from the lower mainland via Hazelton. She's fun and she's fabulous and she's willing to teach this project! We are excited!

Instructor: Teri

Instruction fee: \$50 includes your pattern with a small pop up and your fabric choice

Bernina In the Hoop Embroidery

Wednesday, November 17th 10:00-late afternoon

So you have a Bernina embroidery machine and you want to learn in-the-hoop (ITH) embroidery, do you? This is the perfect chance to get started. You will learn the art of making an entire little bag in the hoop. Sounds impossible but it certainly is not. You'll be directed to purchase a bag design and bring it on a USB stick along with your embroidery machine and appropriate feet and notions. The rest will be supplied. **Space is limited because these babies are BIG, so sign up early.**

Instructor: Kim Aydon

Instruction fee: \$75 includes fabric, zip etc.

Mega Bow Tucks Bag

Saturday & Sunday, November 20th and 21st 9:30-4:00

Once you make one of these gorgeous bags, you will want to make many more. They are addictive. Kim has some hacks that make it easier and make it more useful when travelling. Feature or big prints are great for this big project.

Instructor: Kim Aydon

Instruction fee: \$50.00

No Frilz Four-Day Retreat

Elks Hall 6th and Douglas

\$100 plus tax

Thursday, November 25th starting at 8am and ending Sunday, November 28th at 8pm

Bring your projects, sleep in the hall if you wish, sew day and night. Sew quietly at night so the sleepers can sleep. We always have a super fun time. You don't need a buddy to have a great time. Everyone mixes, in a safe manner, very well. As with all our social events, we must have at least two vaccinations for the Covid 19 virus. Masks are worn when mixing but not when eating or social distancing. No perfume or liniment or air enhancers (anaphylactic allegy) and no pets. Please no visitors. You may have your helper bring your things in and help at the end to take them out but absolutely no visitors however wonderful they are. You can meet them in the parking lot. Crazy, I know, but I hear about it if it's not adhered to.
