February & March 2022 Classes & Events

Monday, February 21st is Family Day We will be closed

Beginners Quilting

Saturday and Sunday February 5th and 6th

10:00-4:00 both days

We have re-formatted our beginners class to include everything, including your choice of fabric. We have found that it is much easier for our students to use the tools we teach rather than something they have that may not be as accurate as necessary. Two placemats will be made over two full days. Everything you need to know to complete any beginner quilting project will be covered. There is no supply list because all you need to bring is yourself with a smile on your face!

Please note: we only have four students per beginners class so we can give you personalized instruction.

Beginner Paper Piecing

This will give you confidence using the tools and learning machine settings specific to paper piecing. You will make a simple project from a book you'll be required to purchase.
